

Respirator Training and Fit Testing

Required for anyone requiring the use of a respirator in the scope of their work, including: chemical protection, work involving infectious agents known to be an inhalation hazard; aerosol-generating procedures involving infectious agents; when work involves BSL3 containment practices. *Minimum requirement: Annually.*

First Tuesday of each month at 2:00 - 3:15 p.m. in room 117, Strathmore Bldg.

To register, please email training@ehs.ucla.edu.

If initial training, bring a departmental recharge ID for equipment cost. If refresher, bring the respirator you received during the initial training. If a new respirator is issued, the department will be recharged at a later date.
