

# BIOCHEMISTRY UPPER DIVISION (UD) ELECTIVES

1 upper division course must be completed from the first column (*Chem*).  
3 additional upper division courses must be completed out of all the courses listed.

**Please note: Courses listed in other departments may have restrictions.  
Contact those departments for questions concerning enrollment and/or restrictions.**

\*Note: **Life Sci 107** and **MIMG 101** are highly recommended electives.

If electives do not show up on your DPR, call your department advisor at (310) 825-1859 or (310) 825-7824.
